## **Uniform**

As we approach the end of the half term, this is a good time for a reminder on school uniform. We pride ourselves at Llanfyllin High School on our high standards and this starts with our students being smartly attired. Sadly, we are starting to see some items in school that are against our uniform policy. If your child has fallen into this trap, please ensure that these items are rectified by Monday 4th March. Any student failing or refusing to follow these guidelines will have their movement around school restricted until they are able to do so.

With all aspects of uniform, we do our utmost to provide images of acceptable and unacceptable uniform to allow correct choices to be made. If in doubt, please refer to this information and ask for advice before making purchases.

It is at the discretion of the school to make decisions regarding uniform that does not conform to the requirements set out in this guide. Please remember that choosing Llanfyllin High School implies a willingness to conform to our school uniform guidelines at all times. The school's Governing Body also endorses this policy.
